

# Schedule of variable price plan charges

## for non-domestic customers

If your fixed price product has ended with us and you haven't chosen a new product, you'll automatically move onto our Variable Price Plan (VPP) and it's terms will then apply to your site(s). Your new VPP prices and terms will apply to your site(s) from the day after your fixed price product period ends. These charges are subject to change or withdrawal and can be changed with 30 days' written notice. Your supply is also subject to Terms and Conditions.

The schedule below sets out our Variable Price Plan prices for non-domestic customers. All prices exclude VAT, which will be charged at the prevailing rate applicable to your business, and CCL.

### Electricity Half-Hourly variable price plan rates

The VPP charges for Non Half-Hourly settled sites are as shown in the following table and apply to all areas supplied by us. All prices exclude VAT, which will be charged at the prevailing rate applicable to your business, and CCL.
